2008 Shape N Race Derby

Shape N Race Objectives

Shape N Race Derby is a chance for boys to learn about participating, trying hard, winning, losing, learning, experimenting, playing, and celebrating. It's a chance for dads and moms to demonstrate mentoring skills and patience, to understand motivations and needs, and to participate in development of manual skills, social skills, and sportsmanship. Derby's provide the opportunity to provide shared experiences with other dads, moms, and boys during the designing, building, and testing stages of pre-race preparations. There can be a lot of satisfaction from teamwork as well as from individual work.

70 Years of Ministry to Boys

Christian Service Brigade is ministry of Christian men to boys. Every Christian ministry to boys has a primary goal - reaching and building boys to serve Christ. God's goal for a boy is that he become a mature Christian man (*Colossians 1:28*) and ultimately a reproducer, a person who can lead others to Christ (*1 Timothy 2:2*).
