

Rush Creek Crusaders

What is a Rush Creek Crusader?

The Rush Creek Crusaders home church, the Wesleyan Church of Hamburg, is situated on a beautiful tract of land at the intersection of McKinley Parkway and Bayview Road. The Rush Creek Crusaders (the Battalion Unit of Christian Service Brigade Unit #3698) have spent many hours exploring (and playing in) the terrain behind the church – which has a creek that passes right through the middle, named Rush Creek. A Crusader is an engager in a crusade – which to a Rush Creek Crusader this means a remedial enterprise (battle) undertaken with zeal and enthusiasm. A remedy is something that corrects or counteracts an evil.

Thus – these modern day Crusaders are waging battle against an enemy not always seen or even appears to be evil. The enemy is a master of disguise and can appear in so many forms (certain music, movies, and TV shows, laziness, parts of the internet, mediocrity, drugs and alcohol, and so much more.) It is the mission of the Rush Creek Crusaders to make aware friends, family, and those willing to listen in our fine hamlet of Hamburg that the enemy seeks to first deceive and entice – then destroy. A Rush Creek Crusader refuses to sit on the sidelines and watch the enemy take over lives unopposed.

Mission to know who the enemy is, what form of weapons are used, to battle and drive out the enemy from our community forever.
